EASY AS A PEA

Many beginning knitters asked me what they can make that is not too difficult but can still be a nice garment. With this in mind, I wanted to design something nice and easy. It has become this easy peasy debarder / slipcover, made it in Lebes yarn from Borgo de'pazzi, the subtle glitter in the thread makes it an extra feminine piece. I hope you like it.

SIZE:

Described size is S/M. Because both the front and the back are 2 flat/straight pieces, you can easily increase the size by adding 10 stitches.

Make sure to include these stitches in the calculation for:

- V-neck at the front
